### Dress Warmly for Mass

The church heating system has sprung a leak and has been turned off until it can be repaired. We are working as quickly as possible to bring the heat back, but it won't be repaired by this weekend. Please dress warmly as we will still be keeping some windows open for ventilation.

### Hope House

Hope House is currently accepting donations **during their open hours only** - Mon, Tues, and Thurs 9am-11:30am and Fri 12pm-2pm. Donations can also be left in the designated bins inside the Church Gathering Space.

Their most needed items right now are...

- Men's clothes (pants, shirts, shoes)
- Men's underwear and socks
- Men's shoes
- Sleeping bags
- Backpacks
- Blankets
- Waterproof clothing
- Waterproof jackets

We accept good condition/freshly laundered clothing only. No stains or rips. We also accept small household items and baby, kids, and women's clothing. Donations that are left outside when we are closed get torn through and destroyed by the weather and become unusable. Come visit us during open hours so we can show you how we are serving the community through your support!

## Catholic Daughters of the Americas

The Catholic Daughters of the Americas local court will be meeting Saturday October 16<sup>th</sup> at 2pm in the Stafford Room. Come and meet women from several parishes in Whatcom County. Following this meeting we will be attending Mass together at 5pm Saturday at Assumption Parish.

## Required Minimum Distributions

If you are planning to make a charitable contribution before the end of the tax year, one option to consider is a distribution from an IRA. Individuals 70 ½ or older can make a contribution directly from an IRA without it being considered a taxable distribution. The donation can meet all or part of the IRA's required minimum distribution for the year. As with all tax law related items, please consult your tax advisor before making any decisions.
